## BRIEF DESCRIPTION

राम नारायण बाटू जी कलायत ब्लॉक के खेड़ी लम्बा गांव से है। इन्होंने हिसार यूनिवर्सिटी से बी.एस. सी. कृषि की डिग्री की उसके बाद इन्होंने कीटनाशक कंपनी में कार्य किया। और कुछ वर्षों के बाद ही इन्होंने खुद का व्यवसाय शुरू किया आज ये कलायत में कीटनाशक दवाओं के विक्रेता के रूप में व्यवसाय कर रहे हैं। ये चूंकि मध्यम वर्ग परिवार से हैं। इसलिए इनको अपने व्यवसाय के लिए बहुत मेहनत का सामना करना पड़ा।

उन्होंने कुछ प्रमुख बातें बतायी:-

यदि आपको पेशेवर वातावरण में काम करना

है और टीम का नेतृत्व करने का अनुभव नहीं है, तो एक विक्रेता के रूप में कदम रखना मुश्किल होगा। किसी भी क्षेत्र की भूमिका में अनुभव प्राप्त करने का एक शानदार तरीका स्वयंसेवक है, और जिस क्षेत्र में आप काम करना चाहते हो उस क्षेत्र में काम का अनुभव आपको होना चाहिए अगर आपको अनुभव नहीं है तो आपको उसके बारे में सीखने का प्रयत्न करना चाहिए। एक प्रभावी विक्रेता होने पर अपनी टीम के साथ संवाद करने में सक्षम होना आवश्यक है। और किसानों को अपने द्वारा दिये गए उत्पाद के बारे में समझाने की कला आपमें होनी चाहिए। यह न केवल आपकी जिम्मेदारियों और अपेक्षाओं को संप्रेषित करने का अर्थ है, इसका अर्थ है आपके द्वारा किसान को सुनना और उनके साथ काम करके उनकी स्थिति के भीतर परिणाम उत्पन्न करने का हुनर है।

यदि आप अपने कर्मचारियों का सम्मान नहीं करते हैं, तो निश्चित रूप से आपके कार्यस्थल में तनाव होगा। उनके समय और क्षमताओं के प्रति सजग रहें, उनके साथ सुनने और संवाद करने में सक्षम हों, और ज्ञान और मार्गदर्शन के संसाधन बनें।

आत्मविश्वास

एक प्रभावी प्रबंधक होने के लिए, आपको अपनी क्षमताओं, अनुभव और निर्णयों में आत्मविश्वास रखने की आवश्यकता है। इसका मतलब यह नहीं है कि आपको अभिमानी होना है या आपको लगता है कि आप अपने कर्मचारियों से बेहतर हैं। लेकिन आप किसी कारण से प्रबंधन भूमिका में हैं, इसलिए गर्व करें और अपनी टीम के लिए प्रेरणा बनें।

## BRIEF DESCRIPTION

बलजीत सिंह ने अपनी ITI पूरी करने के बाद छोटी कंपनियों में कार्य किया और कुछ समय के बाद अपनी खुद की वर्कशॉप खोले हैं इनके परिवार की स्थिति साधारण थी उन्होंने बहुत मेहनत की उन्होंने कुछ विशेष बातें बतायी:-

नेतृत्व

एक प्रभावी प्रबंधक होने के लिए, आपको अपने कर्मचारियों को कुशल तरीके से नेतृत्व करने में सक्षम होना चाहिए। एक प्रबंधक होने के साथ बहुत सी जिम्मेदारी आती है, और एक टीम का नेतृत्व करने में सक्षम होना आवश्यक है।

अनुभव

यदि आपको पेशेवर वातावरण में काम करने और टीम का नेतृत्व करने का अनुभव नहीं है, तो एक प्रबंधक के रूप में कदम रखना मुश्किल होगा। प्रबंधन की भूमिका में अनुभव प्राप्त करने का एक शानदार तरीका स्वयंसेवक है, या तो आपके क्षेत्र के भीतर या गैर-लाभकारी के साथ। घटनाओं के प्रबंधन और उत्पादन में मदद करने के लिए कहें, चाहे वह किसी संगठन के लिए धन जुटा रहा हो या किसी कार्यक्रम का आयोजन कर रहा हो।

संचार

एक प्रभावी प्रबंधक होने पर अपनी टीम के साथ संवाद करने में सक्षम होना आवश्यक है। यह न केवल नौकरी की जिम्मेदारियों और अपेक्षाओं को संप्रेषित करने का अर्थ है, इसका अर्थ है आपकी टीम को सुनना और उनके साथ काम करके उनकी स्थिति के भीतर परिणाम उत्पन्न करना।

## BRIEF DESCRIPTION

Mr. Sunil Sheokand teaching as an Assistant Professor in Computer Science Department in R.K.S.D. (P.G.) College. He has six years of experience in teaching. Some teachers enter the profession because they're eager to make a difference – people tend to remember their teachers for an entire lifetime, long after school is over. Others are inspired by a teacher earlier in their education who had a positive impact on them.

Educational Qualifications:

He has done Ph.D and Masters in Computer Applications (MCA).

He has Qualified his HTET exam.

Challenges faced by him:

There are so many challenges that are faced by him in his study as well as in his life. Money is the issue but he calculated his budget carefully. Always feel motivated to attend the classes.

Motivation for students

Give students sense of control: - While guidance from a teacher is important to keeping kids on task and motivated, allowing students to have some choice and control over what happens in the classroom is actually one of the best ways to keep them engaged.

Create threat free environment: - While students do need to understand that there are consequences to their actions, far more motivating for students than threats are positive reinforcements. When teachers create a safe, supportive environment for students, affirming their belief in a student's abilities rather than laying out the consequences of not doing things, students are much more likely to get and stay motivated to do their work.

Offer varied experience: - Not all students will respond to lessons in the same way. For some, hands-on experiences may be the best. Others may love to read books quietly or to work in groups. In order to keep all students motivated, mix up your lessons so that students with different preferences will each get time focused on the things they like

## BRIEF DESCRIPTION

Many vocational schools and community colleges offer patient care assistant training through nurse technician, patient care technician or personal care assistant/technician programs. Some programs may require that an individual be a Certified Nursing Assistant (CNA) or Certified Home Health Aide prior to admission, while others may only require a high school diploma or GED equivalent.

These programs focus on preparing graduates to work in homes, hospitals, general surgery units and nursing homes. Training generally includes lab work, lectures and clinical rotations, as well as studies in pre- and post-operative care, anatomy, nutrition and physiology. Medical assistant training programs provide instruction in subjects like medical terminology, pharmacology, lab procedures and physiology. Some of these patient care assistant programs prepare graduates to pursue the CNA credential or take other certification exams.

Patient care assistants perform a number of tasks, such as taking vital signs, assisting with daily living activities, observing patients and charting changes in their health or behavior, escorting patients and obtaining lab specimens. They may work in hospitals, nursing homes, clinics or other health care settings.

They are supervised by a registered nurse or other medical professional, but usually provide direct care to patients. Assistants who work in a hospital, nursing home or other medical facility may perform administrative tasks in addition to their clinical duties and be required to hold the CNA credential.

Personal care assistants may also be referred to as personal care aides or home health aides. The U.S. Bureau of Labor Statistics (BLS) notes that there are not any certification or licensure requirement for these aides, and many receive on-the-job training. Some may be required to pass a competency test prior to working.

Passion for the role and a desire to make a difference will affect the way nurse educators deliver their message. Inspiring educators help others know why the information is important and how they can use it, not just what the information is. They are motivating and energetic and create an invigorating atmosphere that students want to be part of. Inspired students want to keep learning and excelling in their knowledge and abilities.

Possess key elements

Nurse educators should be well-educated and knowledgeable and possess strong clinical experience and excellent communication skills. They bring foundational experience and knowledge in both the art and science of nursing to the role, as well as knowledge of educational theories and testing and evaluation methods. They are critical thinkers and problem solvers who now place a greater emphasis on use of technology in education. When nurse educators are organized and stay up-to-date on clinical practices, they enable themselves to be the best they can be.

## BRIEF DESCRIPTION

MR RAVINDER SHOKEND S/O SH VAKIL SINGH .HE IS BELONG TO JIND.HE IS VERY HARD WORKER.A teaching philosophy is critical in my role as a future successful teacher. It will guide me in the way I conduct myself, how I develop curriculum, and how I establish order in my classroom. As a teacher it is important for me to be consistent with how I manage my classes. With a central philosophy as a backbone it will be easy to follow my own simple guidelines.

Teaching is important to me because I believe in the true value of self and group improvement. Life is an uphill challenge to better yourself and the environment in which you live. With improvement in mind, who could be more important than the teachers who construct and facilitate that improvement? The special area of improvement that I focus on is physical education. Physical education is crucial in the development of an individual who wishes to live a long healthy, and prosperous life. Physical education shapes the mind and body through social interaction, physical activity, real world experiences, and most importantly the opportunity to challenge yourself and test your own limits.

## BRIEF DESCRIPTION

satish kumar i pgt teacher.he is belong to chochra.A teaching philosophy is critical in my role as a future successful teacher. It will guide me in the way I conduct myself, how I develop curriculum, and how I establish order in my classroom. As a teacher it is important for me to be consistent with how I manage my classes. With a central philosophy as a backbone it will be easy to follow my own simple guidelines.

Teaching is important to me because I believe in the true value of self and group improvement. Life is an uphill challenge to better yourself and the environment in which you live. With improvement in mind, who could be more important than the teachers who construct and facilitate that improvement? The special area of improvement that I focus on is physical education. Physical education is crucial in the development of an individual who wishes to live a long healthy, and prosperous life. Physical education shapes the mind and body through social interaction, physical activity, real world experiences, and most importantly the opportunity to challenge yourself and test your own limits.
